Endurant

Silent
This goes out to the silent who fight the urge to get violent
Violent

This goes out with the love, bound with the power to rise above

Supressed,
Self-conflicted
A prisoner of silence
Sever the bonds that forever made you yield
Become your own shield

Take your best shot

Endurant

Silent
This goes out to the silent who fight the urge to get violent
Violent

This goes out with the love, bound with the power to rise above

Doosro se dab kar
Khud se lad kar
Khamoshi ka ek bandhak
Bandhan tod jo roke teri chaal
Ban khud apni tu dhaal

Take your best shot

Throw me all you got
Don't stop till i drop, show me how i rot
Hit me where it hurts
Put me down in the dirt
Drown my self-worth do it all for mirth
Cause I got no issue with the scar tissue
Gimme more, ill give you war, through the blood and gore
I will soar
Let it rain
Let it rain, let it pour
Let the lightning strike and thunder roar

For my own ship, I bear the oar
Now as I bleed I feed the seed, born of weakness finally free

Now hear my inner lion roar
Do you see, you gave me the power I need
Do you see, you gave me the power I need

I am not voiceless,
I am endurant
I am not a stray rock,
I am the founding stone of a mountain
I am not weak, I am forgiving
Within darkness, I am my own light

Defiant
This goes out to the brave who refused the life of a slave
Triumph
This goes out to the war in the name of the many who dream of more

Broken and scattered,
Yet again gathered,
Within me is an ocean of patience

Throw me all you got
Don't stop till i drop, show me how i rot
Hit me where it hurts
Put me down in the dirt
Drown my self-worth do it all for mirth
Cause I got no issue with the scar tissue
Gimme more, ill give you war, through the blood and gore
I will soar
Let it rain
Let it rain, let it pour
Let the lightning strike and thunder roar

Apne hee rath ka mein viraaj
Now as I bleed I feed the seed, born of weakness finally free

Sun ab tu is singh ki dahaad
Do you see, you gave me the power I need
Do you see, you gave me the power I need

Bezubaan nahi
Sehensheel hu mein
Kankarr nahi parvat ki neev ka ansh hu mein
Bebas nahi
Kshamasheel hu mein
Andhero mein suraj ke kirno ka vansh mein

Defiant
This goes out to the brave who refused the life of a slave
Triumph
This goes out to the war in the name of the many who dream of more

Tut kar bikhar kar
Fir sambhal kar
Dhairya ka hu mein samandar

Within me is an ocean of patience,
I do not regret the fault in my stars
My shield strengthens with scars

Begin, to take the fight to the outside from within
Found love under my own skin
Brave one, so you know I'm gonna win
Never back down, lay the smackdown with a grin

This fight's not what you might think
Born of a light found right at the brink
Shines so bright but I'm not gonna blink
Says, wage peace - through the blood through the mic through the ink

For my own ship, I bear the oar
Now as I bleed I feed the seed, born of weakness finally free

Now hear my inner lion roar
Do you see, you gave me the power I need
Do you see, you gave me the power I need
